INTEGRITY CHECKS FOR VACANT UNITS:

___ Legacy Invest will perform an integrity check of your property to assure the property is in good standing. The service includes making sure the property remains secure, windows intact, house is acclimated, no additional issues with property to report to owner during vacancy. This service is mainly a status check for a vacant property in the interim until the owner is ready to begin work to rehabilitate the property for a new tenant. The cost for the integrity check is \$50 per check. If you would like this service during a lease period, Legacy Invest will perform integrity checks on leased properties for \$100.00 per visit every 6 months.

WINTERIZATION:

___ In addition to the integrity check above, if the owner so chooses, Legacy Invest will also winterize the vacant property to help prevent frozen pipe bursts.
